

Safety Data Sheet Information

Recycled Water

Product Identifier and Uses

* Product Name:	RECYCLED WATER
* Synonym(s):	RECLAIMED WATER TREATED WASTEWATER EFFLUENT
* Use(s):	ALTERNATIVE WATER SOURCE

SDS Region / Format

* SDS Region(s):	<input checked="" type="checkbox"/> AU	<input type="checkbox"/> NZ	<input type="checkbox"/> EU	<input type="checkbox"/> US
-------------------------	--	-----------------------------	-----------------------------	-----------------------------

Supplier Details

* Supplier Name:	City of Kalgoorlie Boulder (WESTERN AUSTRALIA)		
* Phone:	90219600	Web:	www.ckb.wa.gov.au
* Emergency Phone:	90219600 (24 Hours)	E-mail:	mailbag@ckb.wa.gov.au
* Address:	577 Hannan Street Kalgoorlie, 6430. WESTERN AUSTRALIA		

Hazardous Substance Regulations

Hazardous Substance:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Risk and Safety Phrases:	N/A
GHS Classifications:	N/A

Transport Regulations

Note: Please provide any Testing (if available). The manufacturer is responsible for any classification allocated.

* UN Number (if classified as dangerous):	N/A
--	-----

Composition/ Information on Ingredients

*Ingredient Name	*CAS Number	*Proportion
WATER	7732-18-5	>99%
Escherichia coli (<i>E.coli</i>)		<1,000 MPN OR CFU / 100mL
SUSPENDED SOLIDS		<30 mg/L
CHLORINE (if used)	7782-50-5	0.2 – 2.0 mg/L

Safety Data Sheet Information

Recycled Water

Physical and Chemical Properties

* Appearance:	COLOURLESS TO PALE YELLOW/BROWN LIQUID
* Odour:	SLIGHT ODOUR
* pH (where applicable):	6.5 – 8.5
* Flammability:	NON FLAMMABLE
*Flash Point (where applicable):	N/A
* Solubility in Water:	SOLUBLE
Additional Properties (Boiling Point, Melting Point, Relative Density, etc):	100° (approximately)

First Aid

* Eye:	If in eyes, hold eyelids apart and flush continuously with drinking water for several minutes.
* Inhalation:	If inhaled, remove from contaminated area. Apply artificial respiration if not breathing.
* Skin:	If skin or hair contact occurs, remove contaminated clothing and wash skin or hair with soap and drinking water.
* Ingestion:	If swallowed, do not induce vomiting. Rinse mouth with drinking water. If any abdominal symptoms occur, seek medical advice.
*Advice to Doctor:	Treat symptomatically.

Accidental Release Measure

* Spillage:	If spilt (bulk) contain spill and prevent spill entering drains and waterways where possible.
-------------	---

Storage and Handling

* Storage:	Ensure storage facility is adequately labeled. Check regularly for leaks or spills.
* Handling:	Safe work practices are recommended to avoid eye or skin contact and inhalation. Observe good personal hygiene when working with this product.
