

Community Perceptions Survey Action Plan 2023

Stage One

In May 2023, the City asked the community to join the conversation and share feedback on what is important to residents and where the City should focus its attention.

The City of Kalgoorlie-Boulder's Community MARKYT® Scorecard 2023 received 1,300 responses from community members including additional free text comments. The findings provide the City and Council with an understanding of current community priorities, and the opportunity to adjust services to fulfill community needs.

The data collected has been thoroughly reviewed and a series of actions developed to address the top priorities identified. Actions have been linked to the priorities to be undertaken in 2023/24 financial year which also align with the City's current Corporate Business Plan.

OUR PEOPLE

Family & Youth Services

Advocate for access to increased housing to attract health practitioners and increased services in health.

Deliver the \$6M Kalgoorlie Youth Precinct Redevelopment for the benefit of youth and families.

Develop and implement 2024-2027 Youth Strategic Action Plan and ensure young people have the opportunity for input.

Provide sponsorships to youth organisations to encourage the delivery of increased youth programs.

Senior Services

Deliver quarterly pulse surveys for seniors to ensure activities and services are meeting their needs.

Deliver an expanded Seniors Week Expo to include additional service providers and activities.

Deliver a Seniors Service Providers Roundtable to assess gaps in services to seniors.

Continued delivery of the Age Friendly Strategy Action Plan with support from the Age Friendly Seniors Focus Group.

Health & Community Services

Deliver the actions identified in the inaugural Kalgoorlie-Boulder Health Plan.

Advocate for increased funding for the delivery of health services including mental health services.

Continued delivery of the Age Friendly Strategy, Club Development Plan and Access & Inclusion Plan.

Focus on mental health and wellbeing initiatives including collaboration with local support agencies.

Community Safety & Crime Prevention

Develop a communication engagement strategy to facilitate a stronger relationship between CKB Safer Streets and WA Police.

Deliver a Community Safety and Crime Prevention Plan and establish a Working Group to oversee the delivery of the Plan.

Continue the CCTV Partnership Program to include additional CCTV cameras in hotspot areas.

Develop and implement guidelines for City infrastructure that includes crime prevention as an identified criteria.

Community Perceptions Survey Action Plan 2023

OUR PLACES

Improved Lighting

Identify priority locations for lighting infrastructure improvements throughout the city and in public spaces.

Develop plans and deliver improved lighting infrastructure according to prioritisation.

Commence the SMART LED streetlight program design and operations.

Commence LED lighting replacement program for the Oasis Playing Fields.

Housing & Land

Remove constraints to land subdivision and development through the government and City disposal of land.

Support the release of additional titled freehold lots to be available to support residential housing.

Develop a City Land Optimisation Study and Report.

Participate and advocate for land release through the Kalgoorlie-Boulder Land Group.

Improved Footpaths & Cycleways

Continued implementation of the Kalgoorlie 2050 Cycling Strategy Plan.

Improve footpaths identified through the mobility mapping project conducted by wheelchair pilots.

Install and renew shared use footpaths across the city to ensure accessibility.

Complete the design works for the renewal of existing footpaths on Hannan and Burt Streets.

Local Roads

Implementation of \$22M resurfacing and drainage works for local roads.

Focus on resurfacing Kalgoorlie and Boulder CDB roads to support improvements in traffic flow.

Upgrade essential connecting roads across the city to better support local distribution networks.

Complete essential upgrades to Johnston/Maxwell and Kingsmill intersection making this area safer for pedestrians and vehicles.
