

# **WATER SERVICES FINANCIAL HARDSHIP POLICY**

## **PURPOSE**

---

This Financial Hardship Policy outlines how the City will assist a residential ratepayer (“you”) who cannot pay the sewerage service component of their rate notice<sup>1</sup> because of financial hardship.

This policy applies only to the seweraged area rates portion of your rate notice.

If you are also having difficulty paying other charges on your rates notice, the City encourages you to still talk to the City.

The City is committed to working with you to find an appropriate payment arrangement that works for both you and it. The City understands that it can be difficult to ask for support, and will treat you sensitively and respectfully.

## **SCOPE**

---

This Financial Hardship Policy applies to residential ratepayers who are experiencing financial hardship. It is:

- applied by staff in Debt Recovery who are responsible for the recovery of overdue rates accounts;
- used as a reference by all employees and contractors of the City of Kalgoorlie-Boulder who interacts with ratepayers with outstanding sewer charges, and who suspect or have confirmed, that the ratepayer is experiencing financial hardship; and
- a guide used for external stakeholders when assisting customers in financial hardship e.g. financial counsellors.

This policy does not apply to non-residential ratepayers because the *Water Services Code of Conduct (Customer Service Standards) 2024* and the City’s water license only require us to have a hardship policy for any wastewater water or sewerage services it provides to residential customers.

The City acknowledges that the temporary loss of a job is likely to cause some difficulties paying bills, but not necessarily hardship. However, you should still contact the City for assistance. In recognition that these customers may also need support, its trained staff can offer advice and a range of flexible payment options to assist them.

## **POLICY STATEMENT**

---

The City understands ratepayers experiencing financial hardship may find it difficult to pay their rates account. The City recognises it has an ongoing social obligation to ensure ratepayers are treated with fairness, integrity and compassion. It is committed to working with its ratepayers to find an appropriate payment solution that is effective and sustainable.

## **POLICY DETAILS**

---

### **1. What is Financial Hardship?**

You will be considered to be in financial hardship, if paying the sewerage area rates will affect your ability to meet your basic living needs – in short, if you have the intention but not the financial capacity to pay. The City is committed to providing additional support to assist you in meeting your legal commitments.

The City recognises there are two types of financial hardship i.e. temporary and ongoing. Depending on the type of hardship being experienced, you will have different needs and will require different solutions.

### **2. Identifying Customers in Financial Hardship**

If you think you may be in financial hardship, the City encourages you to contact us as soon as possible. You may ask your financial counsellor to contact the City on your behalf.

The City will assess within ten business days whether it considers you to be in financial hardship. If after ten days an assessment has not been made, the City will refer you to a financial counsellor for assessment.

As part of the City's assessment it will consider any information provided by you and, if applicable, your financial counsellor. The City will also take into account any information the City may have on your payment history.

As soon as the City has made its assessment, it will advise you of the outcome.

### **3. Financial Hardship**

You are experiencing financial hardship if you are in:

*... in relation to a customer who is a residential customer, means being in an ongoing state of financial disadvantage in which the ability of the customer to meet the basic living needs of the customer or a dependant of the customer would be adversely affected if the customer were to pay an outstanding amount; (clause 22 of the Water Code).*

You may require ongoing assistance such as alternative payment arrangements with an extension of time to pay; the waiving of interest and any associated administrative fees; and may also include a write-off of accrued interest and/or legal (refer to section 7 for full payment plans detail).

The City will consider all circumstances including, but not limited to, the following examples:

- a serious accident;
- sudden bereavement within a family;
- severe/life threatening illness or medical disability;
- an impact on a dependent or family member who has serious disability or health problem and who relies on the affected person for their financial support;
- marriage/partnership breakdown;
- prolonged imprisonment;
- business downturn;

- loss of primary income and/or other unforeseen factors affecting a customer's capacity to pay, such as a reduction in income or an increase in non-discretionary expenditure;
- temporary physical or mental incapacity;
- emergency event from natural disasters such as flood, bushfire, cyclone or earthquake;
- domestic or family violence; or
- any other matter considered acceptable by the Chief Executive Officer.

#### **4. Payment Plans**

If the City determines that you are in financial hardship, under the sewerage services portion of your rate notice it will offer you the following:

- more time to pay your account; or,
- a payment plan; and,
- suspend interest charges and administration fees whilst a payment plan is in place.

For ratepayers that have been assessed as experiencing "ongoing hardship", the City may refer the property to Council for their consideration, under a financial hardship report for write-off of accrued interest and/or legal fees. The format of the report to Council will include the following information:

- property's assessment number;
- description of the debt;
- amount outstanding (further broken down into rates and service charges categories);
- period of debt (e.g. 1 year, 2 years etc.); and
- reason/s for the write off/s.

The referral to Council is a requirement under section 6.47 of the *Local Government Act 1995*, which requires Council's absolute majority.

The City will involve you and, if applicable, your financial counsellor in setting a payment plan. When setting the conditions of the plan, it will consider your capacity to pay, and if relevant, your consumption.

The City will review your payment plan if you submit a request. If the City's review indicates that you are unable to meet your obligations under the current plan, the City will revise it. The City will either extend the duration of the payment arrangement and/or reduce the periodic payment amount.

If you do not comply with your payment plan and fail to contact the City to re-negotiate the terms, it will make all reasonable attempts to contact you to advise of its next course of action. The City does not have to offer you a payment plan if you have had two payment plans cancelled because of non-payment or declined payments.

If you are an occupier of a property under a crown lease, the City will notify the landowner (e.g. State of WA) advising them of its intention to provide you with an extension of time to pay or a payment plan before it formally accepts your proposal.

## **5. Debt Reduction**

### **a. Temporary Financial Hardship**

If you have been assessed as experiencing temporary financial hardship, the City will consider reducing the amount you owe us by it by waiving penalty interest and administration fees whilst committing to a payment plan.

### **b. Ongoing Financial Hardship**

If you have been assessed as experiencing ongoing financial hardship, the City will consider reducing the amount you owe us by way of;

- waiving interest and administration fees charges whilst committing to a payment plan;
- and
- requesting Council to consider a write-off interest and/or legal charges (absolute majority required).

## **6. Debt Collection**

The City will suspend its debt recovery processes whilst negotiating a suitable payment arrangement with you.

### **a. Payment Plans**

The City will not commence any legal proceedings to recover your debt if:
