Celebrating Our History

The City invites you to apply for funding to conserve your heritage listed property.

As part of our commitment to local cultural heritage, we will provide dollar-for-dollar funding (capped) for conservation work or for the development of a Conservation Management Strategy.

Kalgoorlie-Boulder is regarded as a jewel in the crown of Western Australian architecture.

The City of Kalgoorlie-Boulder was recently commended in the W.A Heritage Awards for our efforts in preserving the grandeur of local majestic federation style architecture. The City considers itself lucky to be custodian of many historically significant buildings. Many more, are privately owned and together, we can ensure their preservation for many years to come.

Check your eligibility and apply today at ckb.wa.gov.au/LocalHistoryFund.

Applications close 15 October 2021.
